- b. Select Category you wish to access in Category Section (left column)
- c. When you select a category, title(s) of posts under that category will appear (example: "Licensing Information – Continuing Education and Designations")
- d. Click the "title" you wish to access and full content will appear:

**Patra's CE Company / Services**

As a Patra employee, patra will cover expenses associated with your continuing education requirements. However, Patra does not track your CE credits, and it remains your responsibility to ensure that all CEs are completed prior to the license renewal date. Patra has negotiated special rates with some CE companies, so please utilize these services first, before completing CEs elsewhere.
